

November 2008

Thanks to all our members for their continued support of the Dunsmuir Railroad Depot Historical Society during the past five years. We now number 152 with new members joining all the time, such as the Dunsmuir National Association of Retired and Veteran Railway Employees.

Now is the time to renew your 2009 membership in the Dunsmuir Railroad Depot Historical Society. Please send your \$10 membership check to P. O. Box 324, Dunsmuir CA 96025

Depot News: The waiting room mural has been repaired by artist Linda Darger. Three members picked up and installed plastic to prevent further damage. Linda added the inscription "This mural was painted with great care and inspiration for the wonderful people of Dunsmuir by Linda Darger Aug 1, 2008." We sincerely appreciate the addition of Linda's beautiful mural to the waiting room. The tile floor is scheduled for installation in November by members.

Our Railroad Display Room has been well received by the public. Visitors have included folks from Denali Park in Alaska and Wales (who became members) to Canada and Sweden. The Room is open on the third Saturday of each month from 10-2 (weather permitting). It is also open holidays and during most town events. Please contact me at 530-235-0929 about volunteering in the Room.

The July 19<sup>th</sup> fund-raisers of two donated AMTRAK Coast Starlight tickets and two quilts were most successful. Thanks again to our members and folks who support us! Next year look for our Pie (& Ice Cream) Social, a Movie Night at the Depot, and in July two more quilts and (hopefully) two donated AMTRAK tickets for fund-raising events.

The Sisson Museum in Mount Shasta has decided to take the Dunsmuir Roundhouse model out of service. We have requested to have the model on loan for our Railroad Display Room. We hope to hear from them in the very near future.

Cataloging of the Dunsmuir Museum boxes has begun. It will take time to complete this project, but we have made a start.

Again, thank you for your support of the Dunsmuir Railroad Depot and our Society. We can take pride in knowing that we add to Dunsmuir's railroad history .
